Science and Math Coordinators, Public and Private
All Others Concerned

- As part of the celebration of the Science and Mathematics Month this September, 2018, with the theme: "**Science and Math for the People: Innovation for Collective Prosperity**," this office through the Curriculum Implementation Division, announces the conduct of the **2018 Division Science and Math Fair** which will be held on **October 8-9, 2018, at Catbalogan V Central Elementary School, Catbalogan City.**
- The objectives of the Science and Math Fair are to:
 - select from among the participants in Science and Math the official representatives/participants of the Division to the Regional/National Festival of Talents;
 - provide an avenue to demonstrate knowledge and understanding of the concepts and skills learned through performance in the different contests;
 - promote academic excellence in Science and Math through camaraderie and sportsmanship; and
 - enhance Science and Math consciousness among the youth.
- The participants of this activity are the first place winners in the district/school levels both public and private schools, except for Science Quiz and Science Investigatory Project (SIP) where the district/school levels shall send their 1st and 2nd place winners.
